

Dear Business Partners,

All New Zealanders must now comply with Level 4 of the national alert system by self-isolating at home to prevent the growing spread of COVID-19 in our country. Therefore, STAUFF Corporation New Zealand will close for as long as is required by the authorities.

We appreciate that this will cause challenges in the immediate term, and assure you that we will be back in action at full strength as soon as possible.

During this period, some STAUFF team members will work from home, so please do call to see how we can help if you have any questions, or need assistance in any way.

We appreciate your understanding at this difficult time, however when we all work together to support the government, community and individuals affected by this crisis, we dramatically reduce the level of risk to our most vulnerable.

Thank you  
Team STAUFF New Zealand
